General:

1. Please briefly tell us what makes you the best qualified for the office?
2. Today the business community is confronted with a wide array of complex issues. Who or what organization do you use for advice or counsel?
3. Are you willing to build a consensus with others to make things better for the County overall rather than just focusing on parochial issues only germane to your district?
4. How would you help improve the culture and attitude of County staff so that they are more customer/business friendly?
5. Experience: Government is not exactly like a private business but business issues arise including budgeting, strategic planning and operational management. Do you have any experience in this regard? If not, how will you be prepared to handle issues of this type?
6. Opponents and the media research public records, police reports, credit information and perform other background checks in an effort to discover tax liens, lawsuits, arrest records and other unfortunate things. Have you researched yourself to see what might be used against you? Are there any issues your opponent could use against you that you should disclose to this group?
