Business Voice Political Committee Announces Endorsement of Tina Descovich for School Board District 3

Melbourne, FL: Business Voice Political Committee Board of Directors voted this month to support Tina Descovich in her bid to serve as District 3 representative on the Brevard County School Board.

“Tina’s clear understanding of the complex budgetary considerations stood out to our members” states the organization’s Chairman, Larry McIntyre. “Her leadership experience in the private sector is wonderful preparation to handle management and oversight of the almost billion-dollar budget.”

Business Voice conducted in person interviews with all the candidates running, in addition to written candidate surveys. The group was focused on making sure candidates are prepared to serve and can be effective leaders. School Board representatives manage the over \$700 Million dollar budget, set policy and work closely with the Superintendent, who is charged with handling district operations.

“Quality schools are one of the many reasons the Space Coast is a great place to live, work and do business,” states McIntyre. “The business community places tremendous value on our public schools and believe Tina’s experience makes her the right choice to represent District 3.”

Descovich is a marketing and communications professional with experience managing large teams and strategic planning. A graduate of Satellite High herself, this mother of five has also been a strong advocate of students and parents. She has served as PTO President of Indialantic Elementary, is a member of the School Advisory Council, and logged over 2,000 volunteer hours in Brevard Public Schools. As PTO President, she fostered cooperative relationships with parents, teachers and administrators.
