Dear Voters,

Business Voice Political Committee is a non-partisan group of diverse local businesses formed to speak out for better government.

Like managing a successful business, managing an elected office requires vision, leadership and accountability. **Vision** to work alongside job creators to enhance the quality of life in our community. **Leadership** to effectively manage policy and resources. **Accountability** to run government with a vigilant eye on each and every dollar from taxpayers.

Our membership spent months reviewing each candidate's relevant experience, evaluating their policy positions, and conducting in-person interviews and written surveys. As a group, we debated each candidate before voting on endorsement.

We share this with you, in hope that Business Voice can be a resource for you as you seek to decide whom to vote for. Learn more about our group, our criteria and process at www.businessvoicepac.com

Best,

Larry McIntyre
Chairman
